

In Memory of a Loved One

A tree or park bench may be placed in the park of your choice in honor of a loved one.

Tree varieties that grow well in our climate include Linden, Maple, Elm, and Oak (Oaks are slow growing.)

The City of Hastings will plant and care for your tree and replace it if it should become damaged or diseased.

Should you choose to donate a bench to be placed in one of the City Parks or along one of the City's public trails, a plaque will be placed on the bench in memory of your loved one.

City of Hastings Memorial Park Bench and Tree Program

About the Program

The Memorial Bench & Tree Program honors the memory of a loved one.

Through the Memorial Bench & Tree Program, relatives and friends can provide a unique dedication to loved ones by placing a tree or bench in one of Hastings' parks or along a city trail. This dedication provides a lasting remembrance in honor of a loved one and enhances the meaning of a bench or tree to observers. The gift is also a valuable contribution to the park system to be used and enjoyed by all.

The City of Hastings will be responsible for the installation and maintenance of your gift.

BENCHES*:
