

City Project 2011-1
2011 Infrastructure Improvements
 Construction Update #2
 June 1, 2011

Construction Hotline (651) 480-2334

Cones, Crews, & Construction Contraptions Are On Their Way...

The City's contractor will soon descend on Hastings for the 2011 Construction Season! Major construction work is scheduled to begin **during the week of June 6th** in portions of the West 14th Street Neighborhood. **All work schedules are weather dependent.**

Initial Locations & Activities...

- The West 14th Street neighborhood, between Westview Drive and Pine Street, is slated to be the first area in which the contractor will be working this summer.

Coming soon...

- Work in the West 14th Street neighborhood west of Westview Drive is currently scheduled to begin after Independence Day.
- Work in the Whispering Lane area is likely to start during the week of June 12th, with spot curb and gutter replacements.
- Work in the East 17th Street neighborhood (McNamara Street, Bailly Street, 16th Street, etc), is currently scheduled to begin after Independence Day.
- Major work on 11th Street area is also scheduled to start at a later date.
- The City will provide updates on the timelines for work in these areas as construction startup gets closer.

Future Construction Updates will be provided by....

- Hard copy – will be delivered to the project area when activities are taking place. They'll be placed in a specially marked mailbox on the project site – see the map on the reverse side for the location.
- E-mail - Visit <http://www.ci.hastings.mn.us/Main/ListServs.htm> Click on "Sign Up" next to the "Construction Updates – 2011 Infrastructure Improvement Program" link.
